# Introduction

Frontier NW LTD is a Wirral Based construction company that prides itself on delivering top workmanship and customer satisfaction. They deliver projects in the domestic, commercial, industrial and heritage markets. These can range from refurbishment projects, extensions, dilapidations, and renovations.

The background of the slide is a photograph of a construction site. A large yellow tower crane is visible, extending across the upper half of the frame. Below the crane, there is a concrete structure under construction, with wooden formwork and scaffolding visible. The sky is a clear, pale blue. The text is overlaid on this image.
